

The 12 Essential Chord Shapes

12 Shapes That Give You 56 Chords

8 Open Chords And 4 Barred Chords

Every guitar player must know these chord shapes. With these 12 shapes you will be able to play every straight major and minor chord in at least two positions on the guitar, and three for each of the open chords.

Open Chords			
			
			
Barred Chords			
Shape One Major Chord	Shape One Minor Chord	Shape Two Major Chord	Shape Two Minor Chord
